## NOMADER 720

TRIMS AVAILABLE: EPS, PRO, ULT, MUD

The Nomader 720 UTV is engineered to be as versatile as you are. Whether you're tackling daily chores on the farm or ranch, navigating rugged terrain on a hunting expedition, or exploring new trails, this vehicle delivers. Its robust design and reliable performance make it the great partner for demanding tasks and exhilarating adventures alike.

### Main Features

#### Rock-Solid Build

Our UTV features a high-yield alloy steel frame, redefining durability and safety standards. This robust construction isn't just about toughness; it delivers unwavering protection so you can tackle any challenge with absolute confidence.

#### Potent Powerplant

This engine delivers 52 HP, a 14% boost over rivals, ensuring higher speeds on long rides and instant response for thrilling sprints. Its split transmission and power case design with secondary paper filtration drastically improves oil cleanliness, cutting down maintenance for off-road adventurers. Experience powerful performance and less downtime, perfect for remote expeditions.

#### Superior Suspension

Experience the difference with our class-leading suspension travel, boasting 20% more range than competitors. This translates to sharper handling and a remarkably smoother, more comfortable ride over any terrain. You'll feel the enhanced control and reduced impact with every mile.

#### Intelligent Upgrades

Personalize your NOMADER with a selection of cutting-edge intelligent options. Enhance control with Tri-mode EPS and precise Intelligent Throttle Control. Adapt to any situation by choosing Eco, Standard, or Sport driving modes. Further optimize your machine with available Engine Braking, Active Descent Control, Anti-theft protection, and seamless Electric Gear Shift.

#### Tough Work, Great Fun

The NOMADER 700 is engineered for farm resilience, featuring heavy-duty construction and a fortified frame designed to endure rigorous daily tasks and last for years. Yet, this isn't just a workhorse; it's also your ideal partner for outdoor adventures and weekend getaways, offering a wide array of accessories to enhance your leisure. It truly delivers the perfect blend of utility and recreation.
